## **ANNEX I: AUTHORIZATION TO REGISTER AND PROCESS PERSONAL DATA**

### **Regulation (EU) 2016/679**

### **CALL FOR SUPPORT FOR SMES DIGITALISATION IN COLLABORATION WITH DIGITAL INNOVATION HUBS**

#### **DIHnamic Project**

In application of the General Data Protection Regulation, we proceed to inform you of the processing that will be given to the personal data you provide us with, as a representative of an entity interested in participating in some of the actions developed by the Institute for Business Competitiveness of Castilla y León (ICE) within the framework of the project 824186-DIHnamic, as well as to request your express consent, in order to be able to continue working with the entity you represent, in accordance with the aforementioned Regulation (EU) 2016/679.

We inform you that all the personal data you provide us with, are collected as a result of the application for participation by the entity you represent in any of the actions carried out within the framework of the 824186-DIHnamic project, through the entity that manages this project and which is responsible for processing this data:

- Institute for Business Competitiveness of Castilla y León (ICE), with headquarters in C/ Jacinto Benavente, 2, 47195 Arroyo de la Encomienda (Valladolid)

The purpose of collecting this data is to manage the participation of the represented entity, in any of the actions expressly included in project 824186-DIHnamic:

1. Enrolment in activities and services within the framework of the project.
2. Personalized advisory services on digitization.
3. Attendance at the project's online infodays sessions and reactive workshop.

The Institute for Business Competitiveness of Castilla y León informs you that:

- a) All the personal data provided will be incorporated into their data processing tools.
- b) The information will be provided by you, either at the time of the entity's application to participate in any of the actions or during the course of the same. The data will be kept for a period of five years from the date of settlement of the project
- c) The participation of the entity in any of the actions carried out in the project may imply the transfer of your personal data to:
  - The Digital Innovation Hub (DIH) or the entity representing it, assigned to collaborate with the ICE in advisory services to companies.
  - The European public bodies ultimately responsible for monitoring the 824186-DIHnamic project, which has been funded by the Horizon 2020 programme managed

empresarial

by the European Commission and the European Innovation Council and SME Executive Agency (EISMEA). For all the above reasons, we request your express consent:

- I authorize** that the collection and processing of my personal data can be carried out indistinctly by the responsible entity, the collaborating entities of the same and the European control entities of the 824186-DIHnamic project, for the purposes described above.

You have the right to withdraw your consent at any time, without this affecting the lawfulness of the processing operation based on your prior consent.

Personal data will be processed by the Institute for Business Competitiveness of Castilla y León (ICE) with NIF Q4700676B, and incorporated into the processing activity of Promotional Activity, whose purpose is the registration in activities and services promoted by the ICE, a purpose based on the fulfilment of legal obligations by the ICE.

You may exercise your rights of access, rectification, suppression, limitation and opposition to the processing of your data before the ICE: C/ Jacinto Benavente, nº 2, 47195 - Arroyo de la Encomienda (Valladolid), or at the e-mail address of the Data Protection Officer: [dpd.ice@jcy.l.es](mailto:dpd.ice@jcy.l.es)

For more information, you can consult the ICE Data Protection Policy on its [website](#).
